Swiss Multiple Sclerosis Society Research Prize

Beginning in 2023, the Swiss MS Society will award every two years the «Swiss Multiple Sclerosis Society Research Prize» of CHF 100’000 to a researcher at a Swiss research institute or clinic.

The researcher’s work in basic or clinical research should have produced ground-breaking findings regarding Multiple Sclerosis aetiology, pathophysiology, diagnosis or treatment. The researcher should have made a significant contribution in the interest of persons with MS.

The award winner is nominated by a Research Prize Evaluation Committee. This team of experts is appointed by the Medico Scientific Advisory Board of the Swiss MS Society:

Prof. Renaud Du Pasquier  
Prof. Adriano Fontana  
Prof. Ludwig Kappos  
Dr. Irene Rapold  
PD Dr. Myriam Schluep

The award winner commits to use the prize money for his or her MS research activities. With this award, the Swiss MS Society would like to make a further contribution to the promotion of excellent MS research in Switzerland.

Prof. Rebecca Spirig  
President

Prof. Britta Engelhardt  
Co-President of the Medico Scientific Advisory Board

Prof. Cristina Granziera  
Co-President of the Medico Scientific Advisory Board
